APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source. It is understood that the 0.2 c.f.s., herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A suitable measuring device must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State retains the right to regulate the use of the water herein granted at any and all times.

This proposed appropriation is from an underground source.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.2 cubic feet per second, but not to exceed 47.18 million gallons annually.

Actual construction work shall begin on or before October 26, 1973
Proof of commencement of work shall be filed before November 26, 1973
Work must be prosecuted with reasonable diligence and be completed on or before October 26, 1974
Proof of completion of work shall be filed before November 26, 1974
Application of water to beneficial use shall be made on or before October 26, 1976
Proof of the application of water to beneficial use shall be filed on or before November 26, 1976
Map in support of proof of beneficial use shall be filed on or before

Commencement of work filed OCT 30 1973
Completion of work filed OCT 25 1974
Proof of beneficial use filed MAY 23 1980
